

Sewing Garments, Home Goods or Crafts with Debbie Zeller

Beginning Sewing

This 4-session course of 3 hours each class is taught by Debbie Zeller. Debbie is a licensed Family & Consumer Science/Career & Technical Educator and has taught High School Textile & Design classes for over 20 years in Corvallis and has been sewing for over 50 years.

This class covers the fundamentals of beginning sewing for the new sewer, “haven’t-sewn-for-years” sewer, and those who desire a refresher. Learn the basics of sewing while making and completing a simple casing project of your choice (pants, pajama bottoms or skirt) out of woven fabric. In this fun class, you will learn several sewing techniques that you will find yourself using over and over on future sewing projects. Learn how to read a commercial pattern, follow a cutting layout, basic sewing techniques, complete samples for basic seaming, casing & hemming used with woven fabrics. By the end of the class, you’ll have incorporated these techniques into your chosen finished elastic casing project! If you already have a pattern, bring it to the first session to be discussed.

- Session 1: Discussion of Patterns, Fabric, Notions, and supplies for project.
- Session 2: Layout fabric, pattern and cutting of project.
- Session 3: Samples and Sewing Project.
- Session 4: Next steps to finish Sewing Project.
- Session 5: Reserved if needed to finish Sewing Project or makeup a missed session.

Skill Level: This class is for the beginner who knows how to thread their machine and fill the bobbin, new to sewing or simply wants a refresher and/or learn a different approach.

Homework: Finishing any work not completed during class time.

Class Fee: \$125.00 cash or check payable to Debra Zeller at first class or fee collected at Corvallis Sewing and Vacuum. Student must supply commercial pattern, fabric & notions for their chosen project (Discussed session 1, due session 2).
